

SOUTH HILL CIDER

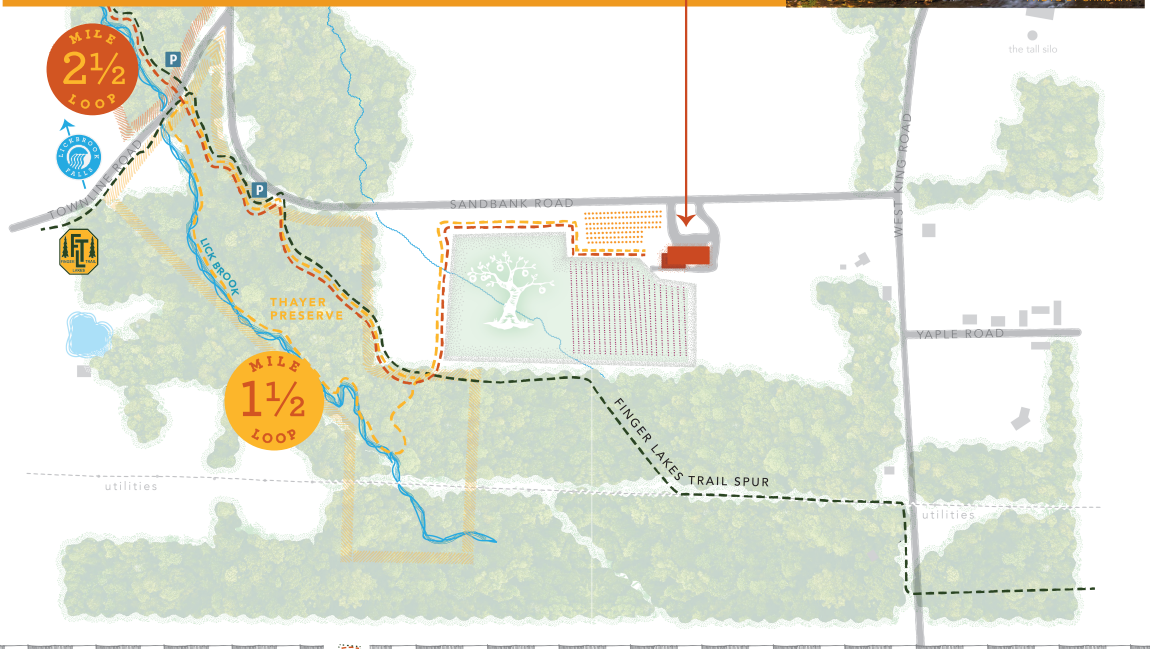

EXPLORE THE SIDE-WALKS!

Lucky for us both, our orchard is nestled against the publicly accessible, Sweedler and Thayer Preserves that are managed by the Finger Lakes Land Trust. Feel free to wander into the trees and enjoy this local stretch of the Finger Lakes Trail and while you're out and about we'll keep the cider chilled for your return.

You are here(ish).

PHOTO BY CHRIS RAY

FINGER LAKES TRAIL
Finger Lakes Trail offers a spur trail that winds down to Buttermilk Falls State Park.

THAYER PRESERVE
Loop consists of the Thayer Blue and Thayer Orange trails.

SWEEDLER PRESERVE
